can we do a core team meeting early next to determine what final meetings/discussions need to take place before we finalize?

Subject: OSC plan

Brona and I are working on a new draft of the plan and hope to have it to you by Friday afternoon (Monday at the latest).

I believe Amy is out all of next week. After you get it, I suggest all of you look at the latest draft and get back to us with suggested changes/corrections by the middle of next week. We will then make revisions and have what is hopefully a final draft for us to agree upon early in the week of October 17.

Then, we will need to run it by the two mayors, police director and sheriff.

Let me know if you disagree with this timeline.
